*These Agencies pick up and deliver directly to the OA Mail Room.*
INTER-AGENCY MAIL GUIDELINES

O.A. Mail Services primary purpose is to pick up and deliver inter-agency mail between state agencies. In order for inter-agency mail to be handled efficiently and accurately it is necessary for the guidelines listed below to be followed:

1. The size limit for inter-agency mail that O.A. Mail Services will pick up is 12” x 15½” x 5”. The only exceptions are as follows:
   1. If it is addressed to a division of the Office of Administration
   2. If it is being sent by an Office of Administration division

2. Agencies may drop off inter-agency mail at the O.A. mail room that exceeds the size limit only under the following conditions:
   1. If it is addressed to a division of the Office of Administration
   2. If it is addressed to an agency that picks up directly from the O.A. mail room and is willing to accept large packages and boxes

3. All inter-agency mail must have a complete address including the following:
   A. Department name
   B. Division/Section name
   C. Street address or Bldg. including room & floor number if applicable
   D. Recipients full name

4. All inter-agency mail must have a complete return address including the following:
   A. Department name
   B. Division/Section name
   C. Senders full name

5. When addressing reusable inter-agency envelopes make sure all previous markings have been marked out. Do not address between previous markings.

6. Sealing of inter-agency mail is the responsibility of the originator. Packing tape is recommended for sealing large non inter-agency type envelopes. Do not use staples for sealing envelopes.

7. All inter-agency mail should be in an inter-agency envelope or have one attached to it. If you did not use an inter-agency envelope, you must clearly mark the letter or package in the upper right hand corner with the words “Inter-Agency”. Use red ink or highlight it.

8. When sending large mailings please bundle mail together by department
